पत्र जारी किया गया
LETTER ISSUED

24 JUN 2014

Shri Tarun Gogoi ji,

Appreciating the immense need for harnessing technology as a tool to enhance transparency and efficiency in the sector of School Education and also to encourage community participation in school governance, my Ministry proposes to roll out phase I of 'Shaala Darpan'- Mission Mode Project (MMP) of eGovernance in School Education.

'Shaala Darpan' as a digital platform initially, would enable delivery of parents (community) related school services through States/UTs and, over a period of time, evolve as the platform that would deliver all the services including learning support as envisaged under the main MMP. You may be aware that the MMP has been formulated in consultation with States and is currently under consideration for approval.

A Steering Committee with members that include Principal Secretaries of few States, has been constituted in the Ministry to steer and guide the implementation of this initial phase. The Committee had its first meeting on 16th June 2014 and I am happy to share that the States have responded to this initiative with enthusiasm and shown keenness in taking this forward. This has strengthened our resolve to roll out the initial phase by January, 2015 in at least some of the States. I am enclosing a brief note on the initiative for your perusal.

I would like to assure you of my Ministry's full support to the State team and request you to encourage the team to take a lead in this joint endeavour. I believe that this initiative is a critical step towards making our schools socially resonant and dynamic institutions.

With regards,

Yours sincerely,

(SMRITI ZUBIN IRANI)

Shri Tarun Gogoi,
Chief Minister, Assam,
Janta Bhawan, Dispur,
Guwahati,
Assam – 781 006.
