Ministry of Human Resource Development invites proposal for establishing Centres of Excellence for Training and Research in Frontier Areas of Science and Technology (FAST). The scientific research in the centre is expected to contribute significantly to national development goals and to building a robust research culture in the institution. Priority will be accorded to multidisciplinary research & training in new and emerging technologies in thematic areas such as energy, water, clean environment, smart materials that promote sustainable development.

2. These centres will be located on the campuses of the existing institutions. The centres will be provided Grant-in-Aid up to Rs. Four (4) crore per centre depending on the feasibility of the proposal.

3. Interested institutions are requested to submit proposals indicating existing institutional capacity in terms of experience levels, recognition of excellence, academic and financial resources, national and international research networks and partnerships. The last date for submission is 30th September, 2013. The format for submitting the proposal and guidelines are available on website: http://mhrd.gov.in/schemes_technical_eng.
