

LAUNCH OF AISHE 2013-14

Ministry of Human Resource Development had initiated an All India Survey on Higher Education (AISHE) in 2011 to prepare a sound database on a large and diverse system of Higher Education in the country. The survey covers all the Institutions in the country engaged in imparting the higher education. A rich data-base has been built from the data collected under AISHE and it is getting updated from the annual data submitted by the Institutions. These are useful in making informed policy decisions and research for development of education sector. While thanking your endeavour in providing the data in previous survey, it is informed that the survey for year 2013-14 is being launched w.e.f 17-06-2014.

It is, therefore, requested that data in respect of all Higher Educational Institutions may kindly be uploaded on AISHE portal (<http://aishe.gov.in>). The user id and password created during AISHE in earlier year is valid for all years. There is a provision of giving remuneration to the Nodal Officer for compensating his/ her effort in collecting, compiling and uploading the data. The detail regarding remuneration is available under link "Survey Guidelines" on the homepage of AISHE portal.

Last date for submission of data on AISHE portal is 30th November, 2014.

Looking forward for your co-operation.
