**The rule for acceptance of the student scholarship in the Ministry of Education, State of Kuwait, for religious education at the Secondary level.**

The delegating authorities for the scholarship of students are requested to go through the following rules and regulations at the time of nominating their students. It will simplify the procedures for their acceptance and enrolment.

**First: The conditions of acceptance:**

- 1- The age of the student should be between 13-15 years on 1<sup>st</sup> October of the year of nomination.
- 2- The student must have finished 6-8 years of his regular education with distinction marks and should have obtained the preliminary degree equivalent to it.
- 3- He should have studied Arabic, English or French languages for about 4 years.
- 4- The information in each certificate should be in accordance with the Birth certificate, Bio-Data and Passport of the student and should mention the real age of the student.
- 5- The student must possess good behavior and should not have any previous conviction or behavioral misconduct. Also, he should have obtained a recommendation from his government.
- 6- The student must have obtained medical certificate from any recognized hospital of his country approved by the Ministry of Health certifying that he is free from all infectious diseases. Also, he should not have any physical disability. Moreover, he will have to undergo a medical test in the State of Kuwait.

- 7- The nominated student should not have discontinued his study for more than one year and should not have been terminated from the study by any other country due to academic, behavioral or pathological reasons.
- 8- The student should have not gone to Kuwait for study earlier on any scholarship scheme that ended with cancellation.
- 9- The student who is already residing in the State of Kuwait is not eligible for this scholarship scheme.
- 10- The Student must hold Passport of the country from where he is nominated.

**Second: The required official documents and Certificates.**

- 1- Filling up the scholarship application form as prepared by Kuwait National Commission for Education, Science and Culture.
- 2- Attested copy of the last certificate obtained by the student.
- 3- Attested copy of the original Birth Certificate.
- 4- Fitness Certificate declaring free from communicable diseases and physically fit for the study.
- 5- The copy of student's passport (including preliminary information and validity of the passport).
- 6- Ten (10) recent and colored passport size photographs (4cm x 6cm).

**Third: Required Educational Certificates:**

- 1- The certificates must be in known language such as Arabic, English and French and if it is in any other language, it must be translated into Arabic or English and attested as duplicate copy of the original Certificate.

- 2- The attested academic certificate must be copy of the original and attested and approved by official authorities of the student's country.
- 3- The certificate must explain the class the student has completed successfully and failed student will not be accepted.
- 4- All certificates should have stamp of the issuing School (name and signature of the official).
- 5- The authenticity of the stamp and signature of the certificate should be attested by Ministry of Education and Ministry of External Affairs of the concerned country as well as the Embassy of the State of Kuwait and the Diplomatic Missions of the Non Residence countries (whichever is applicable).
- 6- There should not be any omission, addition or change in the certificate.
- 7- Incomplete applications and documents will be considered null and void and hence would stand cancelled.

**Fourth: The courses available in the State of Kuwait on religious line:**

- 1- There will be an entrance exam to determine the academic level of the students when they arrive in Kuwait.
- 2- Tutorial studies in Arabic language will be imparted to those students who need it at beginners and primary levels.

**Fifth: Acceptance of the new comer students and their recruitment:**

- 1- The Kuwait National Commission will not accept any student who has come to Kuwait on his own expenses. Therefore, the

student should come only when he is called by Kuwait National Commission. Nomination does not mean necessarily the acceptance of the student.

- 2- The Kuwait National Commission will inform the nominating authorities about acceptance of its student at the address mentioned in the scholarship application form and it will provide a travel ticket to the capital of the country and entry visa to the State of Kuwait after the attestation made by the Embassy of Kuwait in its country if any.
- 3- The selected student must be present in Kuwait during the period of 25/8 to 15/9.
- 4- In case there is any doubt in authenticity of the age of the student in his birth certificate then the matter will be referred to the Medical Council to determine the age of the student and if there is any discrepancy then the student will be sent back to his country and the responsibilities of the expenditure will be on the authority and it will be forbidden to allot any other scholars for the next year and this will apply to the other information.

**Sixth: Aids to be provided to a student's scholarship in the State of Kuwait.**

- 1- The Kuwait National commission for Education, Science & Culture will send a travel ticket to new comer student to reach at the State of Kuwait.
- 2- The student will be provided a round-trip air ticket annually by Kuwait Airways to his home country or to the nearest Airport to his native place in case the Airline is available, and he will not be allowed to change his route given to him only after getting an approval from the Kuwait National Commission.

- 3- Accepted student will be provided accommodation, food, and treatment facilities in Kuwait Government Hospitals as per the rules of the Ministry of Health.
- 4- Every student will be given monthly and petty expenses, yearly for clothing allowance and stationary expenses.

**Seventh: General Rule:**

- 1- The scholarships are meant only for Religious Studies at secondary level as long as the student succeeds in his studies and abides by the rules.
- 2- The student will not be allowed to work in the State of Kuwait under any circumstances during his period of study, otherwise, his scholarship will be stopped immediately.
- 3- The student should leave the country immediately after completing his study and culmination of scholarship.
- 4- The student will be expelled from his study if he does not comply with rules and regulations or committing any violation and immoral behavior and fails repeatedly in his studies or gives unsuitable personal excuses or due to infectious diseases.
- 5- The announcement for new scholarships will come in the month of January and the date of accepting application forms will be at the end of June after that no application form will be entertained.
- 6- The Kuwait National Commission for Education, Science & Culture will study every case separately to take appropriate decision on admitting the student for scholarship.

- 7- The Student should not involve in any political or religious or party activity, he should focus completely on his study.
- 8- The National Commission for Education, Science and Culture has the right to propose and amend the financial regulations and categories of payments and other regulations related to the scholarship of the student.
- 9- The Kuwait National Commission for Education, Science & Culture is entitled to terminate the student's scholarship if his academic level declines significantly, in terms of his academic marks, and he will be under the recommendation of his school / teacher's report in different subjects and conduct report that will revert to the Kuwait National Commission for Education, Science & Culture.
- 10- The Kuwait National Commission will review the possibility of terminating the student's scholarship that has been stopped from entering the examination as per the decision of the school due to his repeated absence.
- 11- If the student is found absent from the commencement of the official working hours of the academic year for a period of 15 days, he will be deprived from scholarship until he offers any appropriate excuse that justifies the reason of his delay, at that juncture, the Kuwaiti National Commission for Education Science and Culture will review the case.
