

No.32-2/2013-TS.II
Government of India
Ministry of Human Resource Development
Department of Higher Education

Shastri Bhawan, New Delhi,
Dated the 21 August, 2013

To

The Secretaries,
Department of Technical Education,
States/UTs (As per list Attached),
ICCW, CTSA, MEA (Education) & MEA (Welfare)

Subject: Reservation of seats in Diploma level technical courses for States / Union-Territories lacking in such facilities, and for foreign and other categories of students for academic sessions 2013-2014-regarding.

Sir,

I am directed to state that this Ministry has an ongoing scheme of "Reservation of seats in Engineering / Technology / Architecture / Pharmacy courses conducted at Degree and Diploma level technical institutions approved by the All India Council for Technical Education (AICTE), for States and Union Territories (UTs) which do not have Engineering Colleges / Polytechnics or lack facilities for education in specific fields of Technical Education, and for certain categories including foreign students.

2. The reservation of seats is made under the Scheme for the following nominating agencies:
 - (a) State Governments / UT Administrations.
 - (b) Central Tibetan Schools Administration(CTSA)
 - (c) Indian Council for Child Welfare(ICCW) - for recipients of children's bravery awards.
 - (d) Ministry of External Affairs (Education)- for foreign students either self-financing or scholarship holders of Indian Council for Cultural Relations(ICCR).
 - (e) Ministry of External Affairs (Welfare)-for wards of government employees posted in Indian Missions abroad.
3. The details of the seats allocated in Diploma level Technical Courses for 2013-2014, in respect of the above categories are given in the statements attached (for 2013-2014, allocation of Diploma Level seats has been made for North Eastern States, Islands UTs, ICCW, CTSA and Ministry of External Affairs (Education & Welfare) only).
4. The nominating agencies are requested to initiate early action for nomination of students in consultation with the concerned authorities of the States / UTs by obtaining details regarding prerequisite qualifications, fees, availability of hostel accommodation, admission rules, regulations, procedures, last date etc. It may please be ensured that the nominated students fulfil the eligibility requirements prescribed by the States in which the seats are reserved, in addition to satisfying their own States / UTs rules, and instructions/guidelines issued by AICTE. The letter, nominating the students, should be signed by the designated officer of the State/UT and should contain his full name, designation, address, telephone and fax number etc. It is clarified that there is ***no discretionary quota of seats in this Ministry to nominate*** against the reserved seats. Therefore, this **Ministry should not be approached with such requests.**

No.32-2/2013-II

5. The seats offered in private institutions, according to the AICTE's letter No.314-I/CCF/RES/94 dated 13.01.95 are free seats, over and above the sanctioned intake strength. These seats are supernumerary in nature and do not affect the total strength / intake of students.

6. The nominations against reserved seats may please be made according to the allocations. The allocation of seats and course is final and modification is not possible in any case. Some cases of fraud had come to notice in the past and it is, therefore, requested that authenticity of allotment/nomination document may please be verified. Nominated students may be coming from long distances and different background and, therefore, **full co-operation may kindly be provided to them**. The authorities may ensure that ragging of students does not take place. The actual utilisation of reserved seats may please be intimated to this Ministry, which will help this Ministry in updating of the list / courses.

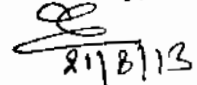

7. The States / UTs where seats have been reserved may confirm the availability of the Branches as per the list enclosed herewith during the year 2011 – 2012. In the past, it has been experienced that after issue of the seat allocation, the States / UTs make a lot of representation for change of courses / colleges and in some cases also for transferring of seats from one State to other. Normally, this is agreed to by the MHRD in number of cases. However, it delays the process of filling up of seats and students suffer for the delays. As such, the States / UTs concerned are authorised to sort out such issues between themselves, after proper verification, provided the requests are found genuine and they may not have to write to the MHRD for approval, as admissions get delayed on this account. This provision shall be used only in extremely essential cases.

8. **The last date of admission is subject to the decision of the review petition to be filed by the AICTE in the Hon'ble Supreme Court against court order in Civil Appeal No. 9048 & 9047 of 2012.**

9. **The selection process for admission against this quota will be decided by the admission guidelines to be issued by AICTE shortly.**

10. **The order regarding allocation of Degree Level Technical Courses has been issued separately by this Ministry. The documents regarding allocation of Degree Level Seats & Diploma Level Seats for the year 2012-2013 can also be accessed in this Ministry's website i.e. http://mhrd.gov.in/higher_education_circular.**

Yours faithfully,

[Tripti Gurha]
Director
