

**Invitation to Contribute to the 3rd Edition of the CPSC Journal on
TVET titled STEPS (Scholarly Technical Education Publication Series).**

Colombo Plan Staff College for Technician Education (CPSC), Manila, Philippines is an inter-governmental human resources development organization mandated to assist in the improvement of technical and vocational education and training (TVET) systems of its member countries in Asia and Pacific Region through training, research, consultancy and information service. The active member countries are: Afghanistan, Bangladesh, Bhutan, Fiji, India, Malaysia, Maldives, Mongolia, Union of Myanmar, Nepal, Islamic Republic of Pakistan, Papua New Guinea, the Philippines, Singapore, Sri Lanka and Thailand.

CPSC invites interested authors, experts and students to publish their research papers/articles to CPSC Journal on Technical and Vocational Education and Training (TVET) titled STEPS (Scholarly Technical Education Publication Series).

The journal, currently on its third issue, is a publication which seeks to generate information, new findings, strategies, innovations, best practices on TVET and provide a launch pad for research-based papers or original research articles, case studies, review or report articles, papers presented in TVET conferences, or any compilation of current information covering issues, concerns, trends, and development in TVET in the Asia-Pacific Region in particular and the world at large.

The paper/article may pertain to any topic dealing with TVET (e.g. TVET for sustainable education: quality assurance in TVET: ICT for TVET: or any technical education topics and researches). Submission of papers/articles is requested to be in electronic format with 1,000-2,000 words or 6 pages equivalent, including figures and illustrations.

Please find enclosed details of the paper's prescribed format of the paper. Upon submission, these will be subjected to a blind review involving a panel of qualified TVET experts through a multi-stage review and assessment before being included to the final lineup. This is to ensure the high academic quality of the papers submitted to our journal.

Papers may be sent through the email of CPSC's Research, Publications and Information Division (rp@cpsctech.org) or through the STEPS Online Journal System (OJS) accessible via <http://steps.cpsc.tk/index.php/steps>. The author may register as author through the OJS prior to submitting the paper.
