- II. The MOE awards outstanding India students undertaking undergraduate and postgraduate studies in Taiwan by awarding each recipient of the Taiwan scholarship the following:
  - (i) Tuition and payment of academic fees, including credit fee. Upon validation of tuition and above fees, the MOE awards each recipient per semester up to NTD40,000. (Approximate US\$1,290.00). If the total amount of these fees should exceed NTD40,000, the remainder of all costs shall be covered by either the recipient, or the recipient's college, whereas over NTD40,000 are the sole responsibility of the recipient. Tuition and academic fees do not include any of the following: administration fees, thesis advising fees, insurance premiums, accommodation, Internet access, all of which are payable by the recipients.
  - (ii) Subsistence allowance: The MOE offers each recipient undertaking undergraduate studies a monthly stipend of NTD15,000.(Approximate US\$480.00); it offers each recipient undertaking postgraduate studies a monthly stipend of NTD20,000. (Approximate US\$640.00)

Recipients must arrive in Taiwan and enroll at their admitting universities/colleges within prescribed period unless delays have been approved by the relevant institutions and the MOE. If recipients fail to arrive in Taiwan for registration during this period, their award will be revoked with no deferrals.

The transferring university/college must notify the recipient and the original university/college that it agrees to the transfer date. Both universities/colleges must send copies of the transfer to the MOE, relevant Taiwan Representative Offices, and the MOE designated office.

XIII. The university/college of the recipient should apply and verify the scholarship in accordance with the following time period and processes each year from the MOE designated office:

universities/colleges fail to apply for their appropriation in time, it is their responsibility to pay a monthly subsistence allowance to the recipients.

When this occurs after the 15<sup>th</sup> of the month, recipients will not be required to return that month's subsistence allowance. Tuition and other fees paid must be returned pro rata to the designated office by the MOE and processed and verified separately.

4. Should recipients be in simultaneous receipt of any other award or subsidy granted by Taiwan government agencies or education institutions in Taiwan, upon verification, their scholarships will be revoked and any stipend and subsistence allowance given to them during the period of overlap shall be returned.
5. Recipients are required to join the National Health Insurance plan. They must purchase other forms of medical insurance before enrolling in the National Health Insurance plan according to National Law.
6. Upon enrollment at universities/colleges in Taiwan, recipients are not allowed to study in any other country as exchange or dual/joint degree students. Should such a case occur, the recipients' scholarships will be revoked and the remainder of the award period shall not be retained or deferred. Recipients on exchange as part of the degree program are exempt from this rule, but they shall not receive any tuition stipend and subsistence allowance during the time period outside of Taiwan.
7. Recipients are not allowed to work illegally (including part-time work)

while in Taiwan. If recipients engage in any labor activity without the MOE's approval of award renewal or without notifying their universities/colleges, their scholarships will be revoked and they need to return any stipend and subsistence allowance given to them during the period of employment.

(ii) Universities and colleges:

1. Universities/colleges shall refer to their respective guidelines for admitting international students and notify applicants of their final decision no later than June 15<sup>th</sup> of each year.

Recipients on exchange as part of a degree program will not receive any tuition stipend and subsistence allowance during the time period outside of Taiwan.
  - (3) Recipients who violate Taiwan laws, are imposed with any major demerit at the university/college, or withdraw or be expelled from the university/college shall have their scholarships revoked. In case of transfer to another university/college or department or voluntary withdraw from their original universities/colleges, recipients' scholarship will

not be revoked.

- (4) Failure to submit at the time of enrollment for each study term an Alien Resident Certificate (ARC) with “pursuing studies” as the reason for stay by the deadlines specified by the recipients’ universities/colleges, or altering the reason of stay while in receipt of the scholarships.
  - (5) Recipients found working illegally or engaging in any labor activity without the MOE’s approval of award renewal or without notifying their universities/colleges shall have their scholarships revoked. Any stipend and subsistence allowances given to them during the period of employment must be returned.
  - (6) Recipients whose academic average for the semester is below the passing standard set by their universities/colleges will have their scholarships suspended for a month; recipients whose academic average for the semester is below the passing standard for two consecutive semesters will have their scholarship revoked starting the next semester.
- 4. Relevant institutions wishing to employ recipients on a part-time basis should apply for employment permit in accordance with the Employment Service Act (ESA). Recipients’ universities/colleges should, in accordance with this guideline, review each case, and upon approval, state the proposed period of employment, nature of employment, and total working hours. A copy of the recipients’ academic transcript for two consecutive semesters must be submitted to the MOE for the evaluation of the renewal of the recipients’ scholarships.
  - 5. Upon recipients’ arrival and enrollment, each university/college is required to organize orientations for recipients in order to inform them of the rules and regulations regarding scholarship renewal, grade calculation and award, and scholarship issuing, suspension and revocation. Each university/college should also issue the scholarship monthly, monitor scholarship suspension and revocation, and process scholarship renewal.
  - 6. Universities/colleges should set up a specific unit and personnel to liaise with recipients, provide academic and student support, and encourage recipients to actively participate in school activities and national volunteer work during their stay in Taiwan.

XV. Taiwan Scholarships granted before and for the 2011 academic year are subject to the following:

- (i) Undergraduates will be awarded a monthly stipend of NTD25,000, and postgraduate students a monthly stipend of NTD30,000.
- (ii) Recipients will pay their own tuition fees and other fees from the beginning of the award period until the expiration of their award, graduation, withdrawal, or expulsion. Other than the differences in the stipend, any regulations in relation to scholarship suspension and revocation are subject to these revised guidelines. Recipients that pre-enrolled for the 2011 academic year for Chinese language sessions are subject to the Ministry of Education Short Term Research Award (STRA) and Huayu Enrichment Scholarship (HES) International Student Directions. Beginning from the 2012 academic year, new recipients of the Taiwan Scholarship must abide by these revised guidelines.
