

No. F.11-98/2012-Sch-5
Government of India
Ministry of Human Resource Development
(Department of School Education & Literacy)
(School-5 Section)
xxx

New Delhi, dated: 27.06.2013.

To,

- i) The Education Secretaries of all States / UTs
- ii) Commissioner KVS / NVS

Subject- Usage of Indian Language fonts and software tools in Govt. departments to facilitate working on computers in Indian Languages.

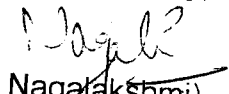

Sir/ Madam,

Deptt. of Electronics and Information Technology is engaged in development of language technologies and associated standards under the Technology Development for Indian Languages (TDIL) programme. A repository of achievements in the form of tools, fonts, applications and standards has been created which can be accessed through <http://www.tdil-dc.in>. It may be of particular interest to all Govt. departments in the availability of a collection of software tools and fonts for all the 22 constitutionally recognized languages, in the form of a CD. Office related tasks such as preparing letters, spreadsheet, presentation, database and drawing can be easily done with it effectively. This entire suit is free and is also available for download from <http://www.ildc.in>.

2. A request for free shipment of the CDs can be made by sending an e-mail at info@ildc.in. For user support, a toll free No. 1800-209-1015 is operational. A copy of this letter may also be forwarded to all districts in your State who may like to disseminate there Indian language tools widely for use in the offices. The training also can be organized by DeitY depending on specific requirements.

3. You are requested to implement and make extensive use of these tools in all e-governance initiatives. For any questions or clarifications, Ms. Swaran Lata, HoD & Scientist 'F' at E-mail: slata@mit.gov.in, phone no. 011-24363525 may be contacted.

Yours faithfully,

(D.S. Nagalakshmi)
Under Secretary
