Objet: **Coordinator (D-1)**  
**UN World Water Assessment Programme (WWAP)**  
**Perugia, Italy**  
**1ITSC0001OS**

Sir/Madam,

I wish to inform you that I have decided to advertise the post of Coordinator of the UN World Water Assessment Programme (WWAP) in Perugia (Italy).

I enclose herewith information on the duties with which the selected candidate will be entrusted, as well as on the required qualifications, experience and competencies.

As you know, the Secretariat accords great importance to geographical distribution and gender, especially at the senior level. I should be grateful, therefore, if you would assist me in achieving a more balanced geographical distribution, as well as an equitable representation of women, by encouraging appropriate and qualified candidates to apply.

Candidates who wish to be considered for this post ~~shall apply~~ online, via the dedicated UNESCO website, *Careers*, as soon as possible and well before the closing date, and ensure that applications are well received in the system. Candidates will receive an automatic acknowledgement of receipt by email confirming the registration of their applications.

It is important to note that all applications must be correctly submitted by 22 September 2014 at the latest. Should you have any queries, please send an email to [staffingteam@unesco.org](mailto:staffingteam@unesco.org).

Exceptionally, candidates without access to the Internet shall submit their application, quoting the post number: "1ITSC0001OS", to the following address below:

Director  
Bureau of Human Resources Management (HRM)  
UNESCO  
7 place de Fontenoy  
75352 Paris 07-SP  
France

Only applications received at this address within the stipulated deadline can be considered to ensure equitable treatment to all applications received.

*Ms. Bina*  
*21. Aug 14*  
*946/801124*  
*6/8/2014*

Each candidate's application should contain a detailed *curriculum vitae* and the names of persons from whom professional references may be obtained. The *curriculum vitae* may be submitted in English or French, preferably on the official UNESCO *curriculum vitae* form, and should include the following information: date and place of birth; present nationality; gender; university education; present and previous posts held; fields of specialization; publications; knowledge of languages, in particular the degree of ability to write, speak and understand the required languages, as indicated in the attached Vacancy Notice.

It is important that all applications meet the established deadline, thus all care should be taken to ensure that such candidatures reach the Bureau of Human Resources Management prior to the closing date. Applications received after the stipulated deadline cannot be considered.

I cannot overemphasize the importance I attach to having an outstanding candidate to fill this post, and count on your cooperation to achieve this goal through the dissemination of the vacancy announcement to nationals of your country using the channels you consider most appropriate.

Accept, Sir/Madam, the assurances of my highest consideration.

### OVERVIEW OF THE FUNCTIONS OF THE POST

*The United Nations World Water Assessment Programme (WWAP) is a flagship programme, hosted by UNESCO. The Programme monitors, assesses and reports on different themes related to the world's freshwater resources. One of WWAP's primary products is the annual World Water Development Report (WWDR), which is a joint effort of UN-Water members and partners. This key report provides an authoritative picture of the state, use and management of the world's freshwater resources. In addition to coordinating this significant United Nations report, WWAP monitors freshwater issues in order to provide recommendations, develop case studies, enhance assessment capacity at a national level and inform on the decision-making process. WWAP seeks to equip water managers and key decision- and policy-makers with the information, data, tools and skills necessary to enable them to effectively participate in the development and implementation of policies.*

Under the overall authority of the Director-General and in close consultation with the Assistant Director-General for Natural Sciences, and under the supervision of the Director of the Division of Water Sciences of UNESCO, the incumbent will provide intellectual leadership, strategic vision and operational guidance for all components of WWAP in support of the post-2015 development agenda. More precisely, the Coordinator will:

- lead and coordinate the development and production of the UN World Water Development Report, working in close partnership with governments, international organizations, non-governmental organizations and, the United Nations agencies and other entities that make-up UN-Water;
- plan, develop and implement strategies, programmes and plans of action for the WWAP including the provision of expert and strategic advice to regions/countries, in coordination with the Secretary of the International Hydrological Programme, on the production of water and gender-sensitive disaggregated information and data, capacity-building activities and the contribution to specific IHP projects such as Conflict Resolution;
- be responsible for the overall management of WWAP's human and financial resources including administrative operations and security requirements in line with the UNESCO's policies and procedures;
- be responsible for the mobilization of extrabudgetary resources, for developing and maintaining relations with the international and local water research communities including the host country Authorities.
