**भारतीय भाषा उत्सव – Bharatiya Bhasha Utsav 2025**  
*(Commemorating the birth anniversary of  
Mahakavi Subramania Bharati on December 11, 2025)*

**Theme: “भाषाएँ अनेक, भाव एक” (Many Languages, One Emotion)**

India is a civilization woven together through countless languages, dialects, and cultural expressions, each distinct, yet resonating with a shared emotional and cultural essence. This multilingual spirit lies at the heart of Bharat’s unity in diversity. The celebration of Bharatiya Bhasha Utsav each year on 11th December, commemorating the birth anniversary of Mahakavi Subramania Bharati, honours this timeless bond among India’s linguistic traditions.

Bharati was not only a towering figure of Tamil literature but a visionary who dreamt of an India united through its languages. His command over multiple Indian languages, Tamil, Sanskrit, Hindi, Telugu, Bengali, and others, symbolises the multilingual essence of our civilisational heritage. His poetry echoed freedom, equality, and progress, transcending linguistic boundaries and inspiring cultural awakening across Bharat.

Aligned with the vision of the National Education Policy (NEP) 2020, the Utsav reinforces the principle of “*multilingualism for national unity*.” It seeks to foster linguistic harmony, creativity, and inclusivity among students, teachers, and the larger community by engaging them in joyful, participative, and experiential activities centred on Indian languages.

This year’s theme, “भाषाएँ अनेक, भाव एक” (Many Languages, One Emotion), celebrates India’s linguistic unity, reminding us that while we speak in many tongues, the emotional essence that binds us remains one. It reflects the idea that every Bharatiya Bhasha contributes to our collective identity and strengthens the cultural and intellectual fabric of our nation.

The celebration of Bharatiya Bhasha Utsav 2025 aims to foster a deep appreciation and pride in the rich diversity of Bharatiya languages and literature. It seeks to promote the spirit of Ek Bharat Shreshtha Bharat by encouraging linguistic exchange and collaboration among diverse communities. The event will inspire students to learn at least one additional Bharatiya language beyond their mother tongue, strengthening both linguistic inclusivity and national integration. By highlighting the importance of multilingualism, the Utsav encourages teachers and learners to embrace multilingual learning as a means to achieve holistic education, cultivate cultural empathy, and further the ideals of unity and diversity across the nation.

The expected outcomes of Bharatiya Bhasha Utsav 2025 include heightened awareness and pride in India’s linguistic diversity among both students and educators. The celebration is expected to drive increased participation in learning and using multiple Bharatiya languages, fostering a deeper connection to the nation’s cultural heritage. It will also strengthen community engagement in cultural and educational activities, promoting inclusivity and mutual respect across linguistic and regional divides. Ultimately, the Utsav will reinforce the

vision of Ek Bharat Shreshtha Bharat by facilitating experiential learning that emphasizes unity, diversity, and cross-cultural understanding.

The Bharatiya Bhasha Utsav 2025, with its theme “भाषाएँ अनेक, भाव एक (*Many Languages, One Emotion*)”, stands as a tribute to Mahakavi Subramania Bharati’s dream of linguistic unity and cultural harmony. Through collective celebration and participatory learning, the Utsav will reaffirm that while India’s voices are many, its emotion is one, united in heritage, aspiration, and spirit.

### **एक और भारतीय भाषा सीखें (Learn One More Bharatiya Bhasha)**

Bharat is inherently multilingual, where individuals often speak and understand multiple Indian languages. Multilingualism in India does not simply mean different people speaking different tongues, but it signifies that every Indian carries within them the essence of many languages. Indian languages are deeply rooted in our cultural ethos and reflect the intellectual and emotional heritage of our nation. The National Education Policy (NEP) 2020 envisions multilingualism as a powerful instrument for national unity and cultural preservation. It encourages students to learn and appreciate more Indian languages through innovative activities and initiatives such as “*Ek Bharat Shreshtha Bharat*.”

From a future-readiness perspective, proficiency in multiple *Bharatiya Bhasha* enhances opportunities for education, employment, and social mobility across India’s diverse regions. The “*Learn One More Bharatiya Bhasha*” initiative is not merely a language campaign—it is a movement to celebrate India’s cultural unity and empower teachers to nurture a generation that is linguistically skilled, culturally aware, and nationally integrated. By encouraging the learning of additional Indian languages, the initiative fosters communication, inclusivity, and a deeper sense of national integration. It also supports professional growth by equipping teachers with multilingual pedagogical skills and enabling students to acquire linguistic competencies that will serve them in both personal and professional spheres.

Registration for “एक और भारतीय भाषा सीखें” (*Learn One More Bharatiya Bhasha*) will start with commencement of **Bharatiya Bhasha Utsav 2025**.
