## **INTRODUCTION**

- A new Centrally Sponsored Scheme launched in 2008-09 is being implemented from 2009-10.
- The Scheme has replaced the earlier NGO driven Scheme under which assistance was provided to voluntary organizations for running Girls' Hostels.
- The Scheme envisages construction and running of 100-bedded hostels for girl students of classes 9-12 in the 3500 Educationally Backward Blocks (EBBs) of the country.

# SALIENT FEATURES OF THE SCHEME

- To improve access to and retain the girl child in Secondary and Higher Secondary classes so that the girl students are not denied the opportunity to continue their study due to distance to school, parents' financial affordability and other connected societal factors.
- The girl students in the age group of 14-18 yrs. studying in classes IX and XII belonging to SC, ST, OBC, Minority communities and BPL families will form the target group of the Scheme. Students passing out of KGBV will be given preference in admission in hostels. At least 50% of the girls admitted will be from SC, ST, OBC and Minority Communities.
- To be implemented by the State Government societies established for implementation of the scheme, with the sharing pattern being 90:10 between Government of India and State Governments.
- State Schedules of Rates to be used for construction of hostels including the hostels already sanctioned in 2009-10 & 2010-11 as per the specified detailed norms for a 100 bedded hostel.
