No. SB/CIR/10-21-ISS/593 dated 9th September, 2014 regarding submission of primary claims for the year 2013-14.

The Government of India, Ministry of HRD has now informed that funds are not available for catering to claims from General category of students for the year 2013-14. However, the Ministry has clarified that Banks can submit their claims with effect from **1st April, 2009 till Financial Year 2013-14 only in respect of eligible students belonging to SC / ST category.**

Accordingly, the Nodal Bank viz. Member Banks have to ensure that the claims for the year 2013-14 including those pending claims pertaining to SC/ST category of students should submit within the above mentioned time period. The Ministry and Nodal Bank **will NOT** entertain claims if not submitted within the stipulated period.

We, therefore, request member banks to **strictly observe the time zone** as above and ensure that the RRBs sponsored by your bank also kept informed of the same.

Please be guided accordingly with immediate effect.

Yours faithfully,
