

Minutes of the Meeting of the Project Approval Board held on 10-1-2012 to consider proposals under the Scheme for 'Construction and Running of Girls Hostels for students of Secondary and Higher Secondary Schools'.

A meeting of the Project Approval Board (PAB) was held on 10-1-2012 in the Ministry of Human Resource Development under the Chairpersonship of Secretary (SE&L) to consider proposals from the State Governments of **Andhra Pradesh, Assam and Meghalaya** for construction of girls' hostels. A list of participants is annexed.

1. Andhra Pradesh

1.1 Principal Secretary, Govt. of Andhra Pradesh, presented the proposal of the State Government to set up 355 Girls' Hostels in as many EBBs with a total project cost (non-recurring) of Rs.504.10 cr., based on State SORs, the unit cost being Rs.1.42 cr. with total area of 11803.72 sq. ft. per hostel. (Presentation at Annexure I)

1.2 This is the first proposal from the State Government to set up girls' hostels covering 355 out of a total of 737 EBBs in the State. All the hostels are proposed in the compounds of Model Schools and it was clarified by the State that in the first phase, the hostels have been so located to accommodate the girls' studying in the Model Schools (currently under construction). Since these schools are located fairly far from the residential areas, without hostel accommodation it would become very difficult for the Model Schools to cater to girl students. Principal Secretary stated that in the second phase, the State intends to propose girls' hostels in KGBV compounds/Govt. Higher Secondary Schools subject to availability of land.

1.3 PAB recommended 355 hostels with non-recurring unit cost of Rs. 128.81 lacs with a total area of 11803.72 sq. ft. The total estimated non-recurring project cost for 355 hostels would be Rs.45727.55 lacs, the Central share being Rs.41154.79 lacs and the State share Rs.4572.75 lacs. List of 355 hostels recommended is at Annexure II.

2. Assam

2.1 There are 81 EBBs in the State of Assam and the current proposal of the State Govt. was to set up 79 girls' hostels in as many EBBs of which 65 were proposed in plains and 14 in hilly and tough terrain. The Scheme would be implemented by SIS, RMSA, Assam. The unit cost proposed by the State was Rs. 183.88 lacs including the cost of boundary wall, furniture & fixture, fire-fighting equipment and site development charges with a total area of 12202 sq. ft.(Presentation at Annexure III)

2.2 The high cost proposed for construction of hostels was mainly due to significant transportation and site development charges. State Govt. informed that 15% enhancement over and above State SORs was allowed for hill districts and 20% for districts with tough terrain. JS (SE.I) informed that site development charges were not allowed as per Scheme norms and suggested that State should dovetail the funds under MNREGA scheme that had a component for site development and earth filling for optimal

utilization of funds. On design of the hostels, Secretary (SE&L) advised that in view of the general climate in the state, the State Govt. should modify the design to localized type of sloping roof to avoid seepage. She also suggested that the State should consider green fencing the boundaries instead of capital intensive concrete walls.

2.3 Since State Govt. submitted the detailed cost estimates for 14 hostels in hilly and tough terrains on 10th Jan.2012 only, these could not be appraised and considered.

2.4 PAB recommended 65 hostels at non-recurring cost of Rs.155.35 lacs per hostel with total area of 12202 sq. ft. The total non-recurring cost for 65 hostels would be Rs.10097.75 lacs, the Central share being Rs.9087.98 lacs and State share Rs.1009.77 lacs. List of 65 hostels recommended is at Annexure IV.

3. Meghalaya

3.1 There are 09 EBBs in the State of Meghalaya and Principal Secretary, Govt. of Meghalaya, presented the proposal for construction of 09 Girls' Hostels at the cost of Rs. 238.00 lacs per hostel. The total built-up area proposed for construction for each hostel was 11470 sq. ft. as against 11650 sq. ft. approved under the Scheme. (Presentation at Annexure V)

3.2 The appraisal report indicated that the detailed estimates were not as per the drawings submitted by the State Govt. The dimensions indicated in the architectural drawings were different from those indicated in the structural drawings.

3.3 It was observed that the project cost was quite high and the total area for constructing the hostel was less than what was approved under the Scheme. Secretary (SE&L) noted that the cost of solar energy equipment as part of the proposal could be provided only if it was included in the State SORs.

3.4 The State Govt. was advised to correct the anomalies indicated and also clarify on issues raised by the PAB.

4. Ex-post-facto approval of PAB was given for the following proposals:

4.1 Bihar (Non-recurring Grant)
