

F.No.2-13/2010-Sch.1
Government of India
Ministry of Human Resource Development
Department of School Education & Literacy

Room No. 428-C, Shastri Bhawan
New Delhi, 19th January, 2011

To

1. The Principal Secretary, School Education Department, Govt. of Andhra Pradesh, Room No.312, J-Block, 3rd Floor, AP Secretariat, Hyderabad-22.
2. The Principal Secretary, Human Resource Development Department, Govt. of Bihar, New Secretariat, Patna-800015(Bihar).
3. The Principal Secretary (School Education), Govt. of Rajasthan, Main Building, Secretariat, R.No.1212, 2nd floor, Jaipur-302005.
4. The Secretary (School Education), Govt. of West Bengal, Bikash Bhawan, 6th floor, Room No.606, Salt Lake City, Kolkata-700091.

Subject: Minutes of the meeting of Project Approval Board held on 23.12.2010 to consider State proposals under Model School Scheme.

Sir,

I am directed to forward herewith minutes of the meeting of the Project Approval Board to consider proposals of State Governments under the Scheme for 'setting up of 6000 Model Schools at Block Level as benchmark of excellence' held on 23.12.2010 for information and necessary action at your end.

2. The State Governments, who are yet to submit bond, resolution, ECS authorization etc., are required to furnish the same, in order to enable us to release the central share.

3. The concerned State Governments are also requested to make provisions for applicable State share at the earliest.

Yours faithfully,

(Bhaskar Dasgupta)

Under Secretary to the Govt. of India

- ii. Joint Secretary(SE), Department of School Education & Literacy, Ministry of Human Resource Development
- iii. Director(SE), Department of School Education & Literacy, Ministry of Human Resource Development

(Bhaskar Dasgupta)

Under Secretary to the Govt. of India

MINUTES OF THE MEETING OF THE PROJECT APPROVAL BOARD TO CONSIDER PROPOSALS UNDER THE MODEL SCHOOL SCHEME HELD ON 23.12.2010.

A meeting of the Project Approval Board (PAB) for the Model School Scheme was held on 23.12.2010 in the Ministry of HRD under the chairpersonship of Secretary (SE&L) to consider proposals from the State Governments of Bihar, Rajasthan, West Bengal and Andhra Pradesh. A list of participants is appended.

2. BIHAR

2.1. Principal Secretary (Education), Government of Bihar presented the proposal of the State Government to set up 305 model schools in as many EBBs. This is the 2nd proposal from the State Government to set up model schools in addition to 105 schools sanctioned in 2009-10. These schools will have classes from VI to XII with dual medium of instruction (English and Hindi). The schools will be affiliated to State Board of Secondary Education. Government land has been identified for all schools. The projected cost of construction is Rs 3.02 crore, which is as per the norms of the scheme. A building design has also been provided. The construction will be through Bihar Infrastructure Development Corporation.

2.2 So far as the 105 schools sanctioned in 2009-10 are concerned, Principal Secretary, Government of Bihar informed that construction could not be taken up due to model code of conduct being in force in the state in connection with the Assembly Election. However, the money has been released to the construction agency and tender is being floated.

2.3 Principal Secretary, Government of Bihar stated that since the model schools were being planned as day schools, the State Government had explored the possibility of setting up the girls' hostels along side the model schools. Possibilities of locating hostels under various schemes of other Central Ministries (such as Social Justice and Empowerment, Tribal Affairs etc.) are also being explored. But the target groups of those schemes are often different. JS (SE) clarified that those students of model schools which satisfy the criteria for different residential schemes can be catered to. Secretary (SE&L) suggested to locate the model schools in such places, which are well connected and easily accessible. JS (SE) pointed out that the Ministry had been advising the State Governments to locate the model schools in block headquarters precisely because the block headquarters are generally well connected to other parts of the block.

2.4. Out of 305 schools proposed in as many EBBs, the appraisal team pointed out that 32 blocks were already covered as part of the 105 schools sanctioned in 2009-10. Another block Warsaliganj (Nawada District) has been

mentioned twice. This effectively leaves 272 (305-33) blocks for consideration of the PAB.

2.5. Out of these 272 blocks, availability of land in 18 blocks was less than 5 acres. Principal Secretary submitted that being a state with very high density of population, it was not always easy to find 5 acres of land in places which are also well connected. The PAB decided to relax the norm for requirement of land to 3.5 acres. However in the following 3 blocks availability of land was less than 3.5 acres, and therefore was not approved for model schools:

- (i) Parwalpur in Nalanda District
- (ii) Shahpur in Bhojpur District
- (iii) Nawa Nagar in Buxar District

2.6. The appraisal note raised doubt about the EBB status of 8 blocks. The State Government clarified that Phulwariasharif and Sanjhauli are not EBBs and have been proposed erroneously. However, the remaining six blocks are EBBs although their names do not match the block-names in EBB list. These six blocks are:

- (i) Biharsharif (figures as 'Bihar' in the EBB list)
- (ii) Khutauna (figures as 'Laukha' in the EBB list)
- (iii) Duvi (figures as 'Dobhi' in the EBB list)
- (iv) Ara Muffasil (figures as 'Ara' in EBB list)
- (v) Chandouti (figures as 'Gaya' in EBB list)
- (vi) Chaurandano (figures as 'Narkatia' in EBB list)

However land availability in Biharsharif and Ara Muffasil blocks is less than 3.5 acre and therefore model schools in these two blocks were not approved. Model schools in the remaining 4 blocks were approved by the PAB.

2.7. After excluding the 5 blocks with identified land of less than 3.5 acres and 2 non-EBBS, PAB approved 265 model schools (**Annexure I**) in Bihar.

3. RAJASTHAN

3.1 State Project Director, RMSA presented the proposal of the State Government to set up 67 schools in as many EBBs. (out of 186 EBBs in the state, model schools have already been sanctioned in 91 EBBs). These schools will have classes from VI to XII, the medium of instruction being English. The schools will be affiliated to CBSE. A building design has been provided along with schedule of construction. Government land has been identified in all blocks.

3.2 SPD informed that central fund for the 91 schools already approved in Rajasthan, has been received only 20 days back and building design etc. is

being finalized. In that meeting the PAB had desired clarifications in respect of 4 blocks. While confirmation regarding availability of adequate land was requested for Chhipabarod and Kishanganj blocks, details of land ownership were requested in respect of Uniyara and K.Patan blocks. Subsequently the State Government has confirmed availability of adequate land for Chhipabarod and Kishanganj blocks, as well as Government ownership of land in Uniyara and K.Patan blocks. This was placed before PAB and 4 model schools in Uniyara, K.Patan, Chhipabarod and Kishanganj blocks were approved.

3.3 It was observed that out of the 67 schools proposed now, only 18 schools are located in block headquarters. In some cases, the locations are 25-30 K.M. away from the block headquarters. The PAB felt that locating the schools so far away from the block headquarters would make it difficult for students from all parts of the block to attend the schools. Principal Secretary (Education), Government of Rajasthan stated that the locations suggested are well-connected to other areas of the block and are at Tehsil headquarters. SPD, RMSA, Rajasthan also confirmed that all the proposed locations have been selected after detailed verification by Department officials.

3.4 The PAB felt that the 18 schools in block headquarters and 24 more schools within 5 K.M. of the block headquarters can be approved. Besides another school at Sarmathura, which is at tehsil headquarters in Baseri District was approved, as the State Government clarified that the Office of Dy. SP of Police, Platoon Commander HQ of RAC etc. are situated in Samarthura and a model school is justified there. **For the remaining blocks, the State Government was advised to send detailed justifications for locating them away from the block headquarters.**

3.5 It was also clarified by the State Government that Sridungarh is the new name of the Dungargarh block, which is at present in Churu District in the EBB list.

3.6 The list of 43 blocks (18 in block HQ, 24 within 5 KM of block HQ and 1 in tehsil HQ) approved for setting up of model schools is at **Annexure-II**

4. WEST BENGAL

4.1 Secretary (Education), Government of West Bengal presented the proposal of the State Government to set up 16 model schools in as many blocks. Earlier, 20 model schools have been sanctioned in the state, which have got 87 EBBs. All the schools will have classes from VI to XII with two sections in each class, and English will be the medium of instruction. The schools will be affiliated to West Bengal Board of Secondary Education. The construction of building will be through State PWD. A model building plan has been designed by the Chief Government Architect.

4.2 Earlier 20 model schools were sanctioned for the State. Secretary (Education), West Bengal informed that construction has started for all the schools and has reached plinth level. The schools will be functional from the academic year 2011-12.

4.3 Out of the 16 blocks proposed for setting up of model schools, it was observed that Kalimpong was not an EBB. State Education Secretary submitted that a model school has been proposed in Kalimpong considering its hilly and difficult terrain and requested for its approval as a special case. The PAB clarified that model school in any non-EBB cannot be considered at present, though that block would be eligible for a model school under PPP mode, once the modalities are finalised.

4.4 It was pointed out in the Appraisal Note that the ownership has been indicated as "private" in respect of two blocks (Bharatpur I in Murshidabad district and Basanti in South 24 Parganas district). State Government representative clarified that in both cases the land has been transferred to the State Government and the ownership currently is with the Government. **PAB asked the State Government to confirm the same in writing.**

4.5 It was also observed that availability of land in Rajnagar Block of Birbhum district was less than 5 acre (4.5 acre). Secretary (Education) West Bengal stated that the State has got the highest density of population in the entire country, and acquisition of land has become a very sensitive issue. Under the circumstances, identifying 5 acre of land for model schools is not an easy task. PAB agreed to relax the norm for the Rajnagar block and approved the proposal to set up the model school there.

4.6 It was also pointed out that while considering the first lot of proposal from West Bengal for 24 blocks, the PAB had withheld sanction for model schools in four blocks (old Malda, Manik Chowk, Chopra and Goalpokhar) due to inadequate availability of land. Subsequently after examining the submission of the State Government, it was decided on file to sanction model schools in Malda and Manik Chowk blocks, where availability of land was more than 4 acres. This was ratified by the PAB.

4.7. Considering the difficulties being experienced by the State Government in identifying land and the dispensation given to other States, the PAB also approved model school at Chopra Block, where the land identified is more than 3.5 acre. So far as the Goalpokhar block is concerned, where the land identified is less than 3.5 acre, the PAB advised the State Government to make another effort to locate the desired extent of land.

4.8. The PAB approved 18 model schools (including the Old Malda, Manik Chowk and Chopra block) (**Annexure III**) in West Bengal.

5. ANDHRA PRADESH

5.1. Secretary (School Education), Government of Andhra Pradesh presented the proposal of the State to set up 370 Model Schools in as many EBBs. This is the first set of proposal from the state which have got 737 EBBs, the highest number among all states. These schools will have classes from VI to XII, the medium of instruction being English. The schools will be affiliated to the State Board for Secondary Education. The projected cost of construction per school is Rs 3.02 crore, which is as per the provision of the scheme.

5.2 Although Government land has been identified in all blocks, the quantum of land identified is less than 5 acres in 57 blocks. Secretary, Government of Andhra Pradesh submitted that it was difficult to get 5 acres of land, particularly in urban areas. PAB decided to relax the norm upto 4 acre and advise the State Government to re-submit the proposal in respect of 15 blocks where identified land was less than 4 acre.

5.3 It was pointed out in the Appraisal Note that ownership of land had been shown as "private" or "donated" in respect of eight blocks. The State Government representative clarified that in all those cases the ownership had been transferred and registered in the name of the State Government. **PAB asked the State Government to confirm the same in writing.**

5.4 The State Government representative also stated that in many cases, private individuals are coming up with proposals to donate land for model schools with the request to incorporate their name in the nomenclature of the model school. He wanted to know whether it would be possible to do so. The PAB felt that the Model School Scheme being a national scheme, it would not be advisable to include any individual's name as part of the nomenclature of the school. However, the State Government could think of some other suitable method to recognize the donor.

5.5 Secretary (Education), Government of Andhra Pradesh also wanted to know whether it would be possible to set up the model schools in the campus of existing schools wherever adequate land was available. The PAB clarified that the model school could be set up as separate schools adjacent to an existing school. Certain facilities like playground can be shared by both schools, although both will have their distinct identities with separate administrative structures and separate areas.

5.6 The PAB approved 355 model schools (**Annexure IV**) in as many EBBs excluding 15 blocks where availability of land is less than 4 acres.

The meeting ended with a word of thanks to the chair.

Appendix

List of participants in meeting of the Project Approval Board to consider proposals under the Model School scheme held on 23.12.2010.

1. Ms Anshu Vaish In Chair
Secretary,
Department of School Education & Literacy,
Ministry of HRD, New Delhi
