

MINUTES OF THE 7th MEETING OF PROJECT APPROVAL BOARD (PAB) HELD ON 24.02.2014 AT 3.00 PM TO CONSIDER PROPOSALS UNDER THE MODEL SCHOOL SCHEME.

7th meeting of the Project Approval Board (PAB) for the Model School Scheme was held on 24.02.2014 in the Ministry of HRD under the Chairpersonship of Secretary (SE&L) to consider proposals from the State Governments of Tripura and Uttar Pradesh. As the representatives from the State Govt. of Tripura could not participate in the meeting physically, the proposal was considered through video conferencing. List of participants is appended.

2. Initiating the meeting, Joint Secretary (SE.I), D/o SE&L welcomed the participants.

3. JS(SE.I) informed that the present proposals for new model schools will be considered and approved by PAB on the present normative cost of Rs.3.02 crore + 2.5% MMER for each model school on 50:50 sharing pattern and for special category States with a relaxation of 20% extra and on 90:10 pattern.

4. Tripura

4.1 Secretary, Government of Tripura acknowledged the fact that out of the 9 EBBs of the State, 6 have already been approved by the GoI. The present proposal is for approval of 02 blocks namely Dasda Block in North Tripura and Rupaichari Block in South Tripura. When enquired by the MHRD about the progress of construction and starting of classes in the already approved schools, the Secretary, Tripura informed that they would be starting classes w.e.f January, 2016. However, he also assured that they would be trying their best to start the classes w.e.f. January, 2015. It was pointed out that out of the 02 blocks proposed for approval, Dasda block was located at a distance of 12 km from the block headquarter (BHQ). **Only one block namely Rupaichari which is 5 km away from the block headquarter and is having land parcel of 17.73 acre was approved by the PAB.** In respect of Dasda block, Secretary, Tripura himself sought time to relocate to a suitable land nearer to the block headquarter and then send the proposal. The PAB also ratified the proposals which were given 'in-principle' approval in the earlier PAB meeting subject to State

Government submitting the revised building plans. Since the State Government submitted the revised design and assured that whatever would be the differential cost, will be met by the State and the work would be started at the earliest.

5. Uttar Pradesh

5.1. Principal Secretary, Secondary Education, Government of Uttar Pradesh made a presentation on the present status and current proposal of 231 model schools to be set up in as many Educationally Backward Blocks (EBBs) in the State.

5.2 While submitting the progress of earlier sanctioned model schools, the State Government informed that the construction of these schools is in progress and the school buildings in respect of 147 schools are likely to be completed by August, 2014.

5.3 The slow progress of utilization of funds in the State of Uttar Pradesh was pointed out. Principal Secretary, Govt. of UP stated that they have sent provisional Utilization Certificates of the previous years but it was insisted by the MHRD that the State should needs to furnish updated Audited Statement of Accounts and utilization certificate as required under GFRs.

5.4 It was pointed out that out of 231 model schools proposed, 3 model schools were located in non-EBBs, 11 proposals were repeated, and 9 proposals were already sanctioned in the State earlier. Secretary (SE&L) had taken a serious view of such type of discrepancies and directed that in future such proposals should be straight away returned to the State for it indicates to a basic lack of diligence at State level which should be discouraged.

5.5 It was noticed that only 37 schools were within 5 km of the block headquarter and were having land available as per norms and ownership of the Government. These 37 schools were approved by the PAB. List is at **Annexure-I**. It was further pointed out that the proposed site of the model schools in large number of blocks is at a distance of more than 5 kms. from the block headquarters. It was recommended that the schools which are at a distance of more than 5 km from the block headquarter but less than 8 km and are having

requisite land can be considered for approval subject to state providing required documentation viz. land was not available nearer to the BHQ, feeder enrollment justification, disadvantaged groups are available. Secretary, Education of UP was requested to provide the details by 10th March, 2014 subject to which 44 schools as per Annexure-II is approved 'in principle'.

5.6 Secretary, Govt. of UP also requested for change of 3 already approved proposals. Secretary (SE&L) pointed out that since no valid reasons have been given for the change, the request cannot be acceded to.

6. The meeting ended with a word of thanks to the Chair.

Appendix

List of participants of 7th meeting of Project Approval Board (PAB) held on 24.02.2014 at 3.00 p.m. to consider proposals under the Model School scheme
