CBSE clarifies on NEET-II Paper

CBSE has successfully conducted National Eligibility Cum Entrance Test-II on 24th July, 2016 across the nation including Srinagar. There are also media reports regarding attempts made for leakage of NEET-II question paper in Uttarakhand.

The material seized by the Uttarakhand Police from the persons involved in cheating were provided to CBSE and the same was matched by the Board with the original question paper of NEET-II and found that the seized material is entirely different from the original question paper of NEET-II. This was an attempt made by some unscrupulous elements to cheat the candidates on false promises. Therefore, it is reiterated that news of attempt of leakage of question paper was false and far from facts.

CBSE reassures all the stakeholders that NEET-II was conducted fairly across the country.
