Khuntia, Secretary, Department of School Education & Literacy. A list of participants is attached at Annexure I.

2. Ms. Rina Ray, Additional Secretary (SE) welcomed the Chairman and all the participants. She reiterated the CGIAC's decision that the SPQEM proposals should be submitted from the States in a single lot to the Ministry and that this fact has been communicated to all the States through seven separate communications between 15.09.2015 and 14.01.2016 as well as through meetings. A list of these communications is attached at Annexure II.

3. Dr. S C Khuntia, Chairman, CGIAC observed that the CGIAC meetings should be held in the month of February-March so that the entire year is available for smooth and efficient implementation of the Schemes. Secretary (SE) further emphasized that States should send their entire proposal in one lot and that the States should also provide U-DISE code which is a unique identity of the organization through which the monitoring becomes easy. States should scrutinize the proposals properly so that there is no scope of duplication and only after the proposals are complete in all respects should those be sent to the Government of India. He stated that a checklist should be prepared by Department of School Education and Literacy and the States should be made aware of the discrepancies/deficiencies with

respect to proposals received under SPQEM & IDMI. He directed that the concerned officials in the MHRD should communicate any discrepancies in proposals to the States without any delay.
