

Mission Mode Project in Education

Way Forward

J Satyanarayana
14 Aug 13

WHAT ? is clear now !

- Education Governance
- School Management
- Learning Support

HOW ? WHEN ? WHO ?

are to be decided now !

HOW?

1. Centralized Planning, Decentralized Implementation

3. Hybrid Cloud Model (Public, Private, Central, State)

- Central Platform with CORE Components
- State Level Configuration/ Customization
- National Content Repository
- Service Oriented Architecture

4. Easy & Universal Access

- NoFN, Satellite (for remote areas), White-Fi for connectivity
- Aakash and other Tablets for accessing content
- Smart Phones & mobiles for Governance and Management

National e-Governance Plan

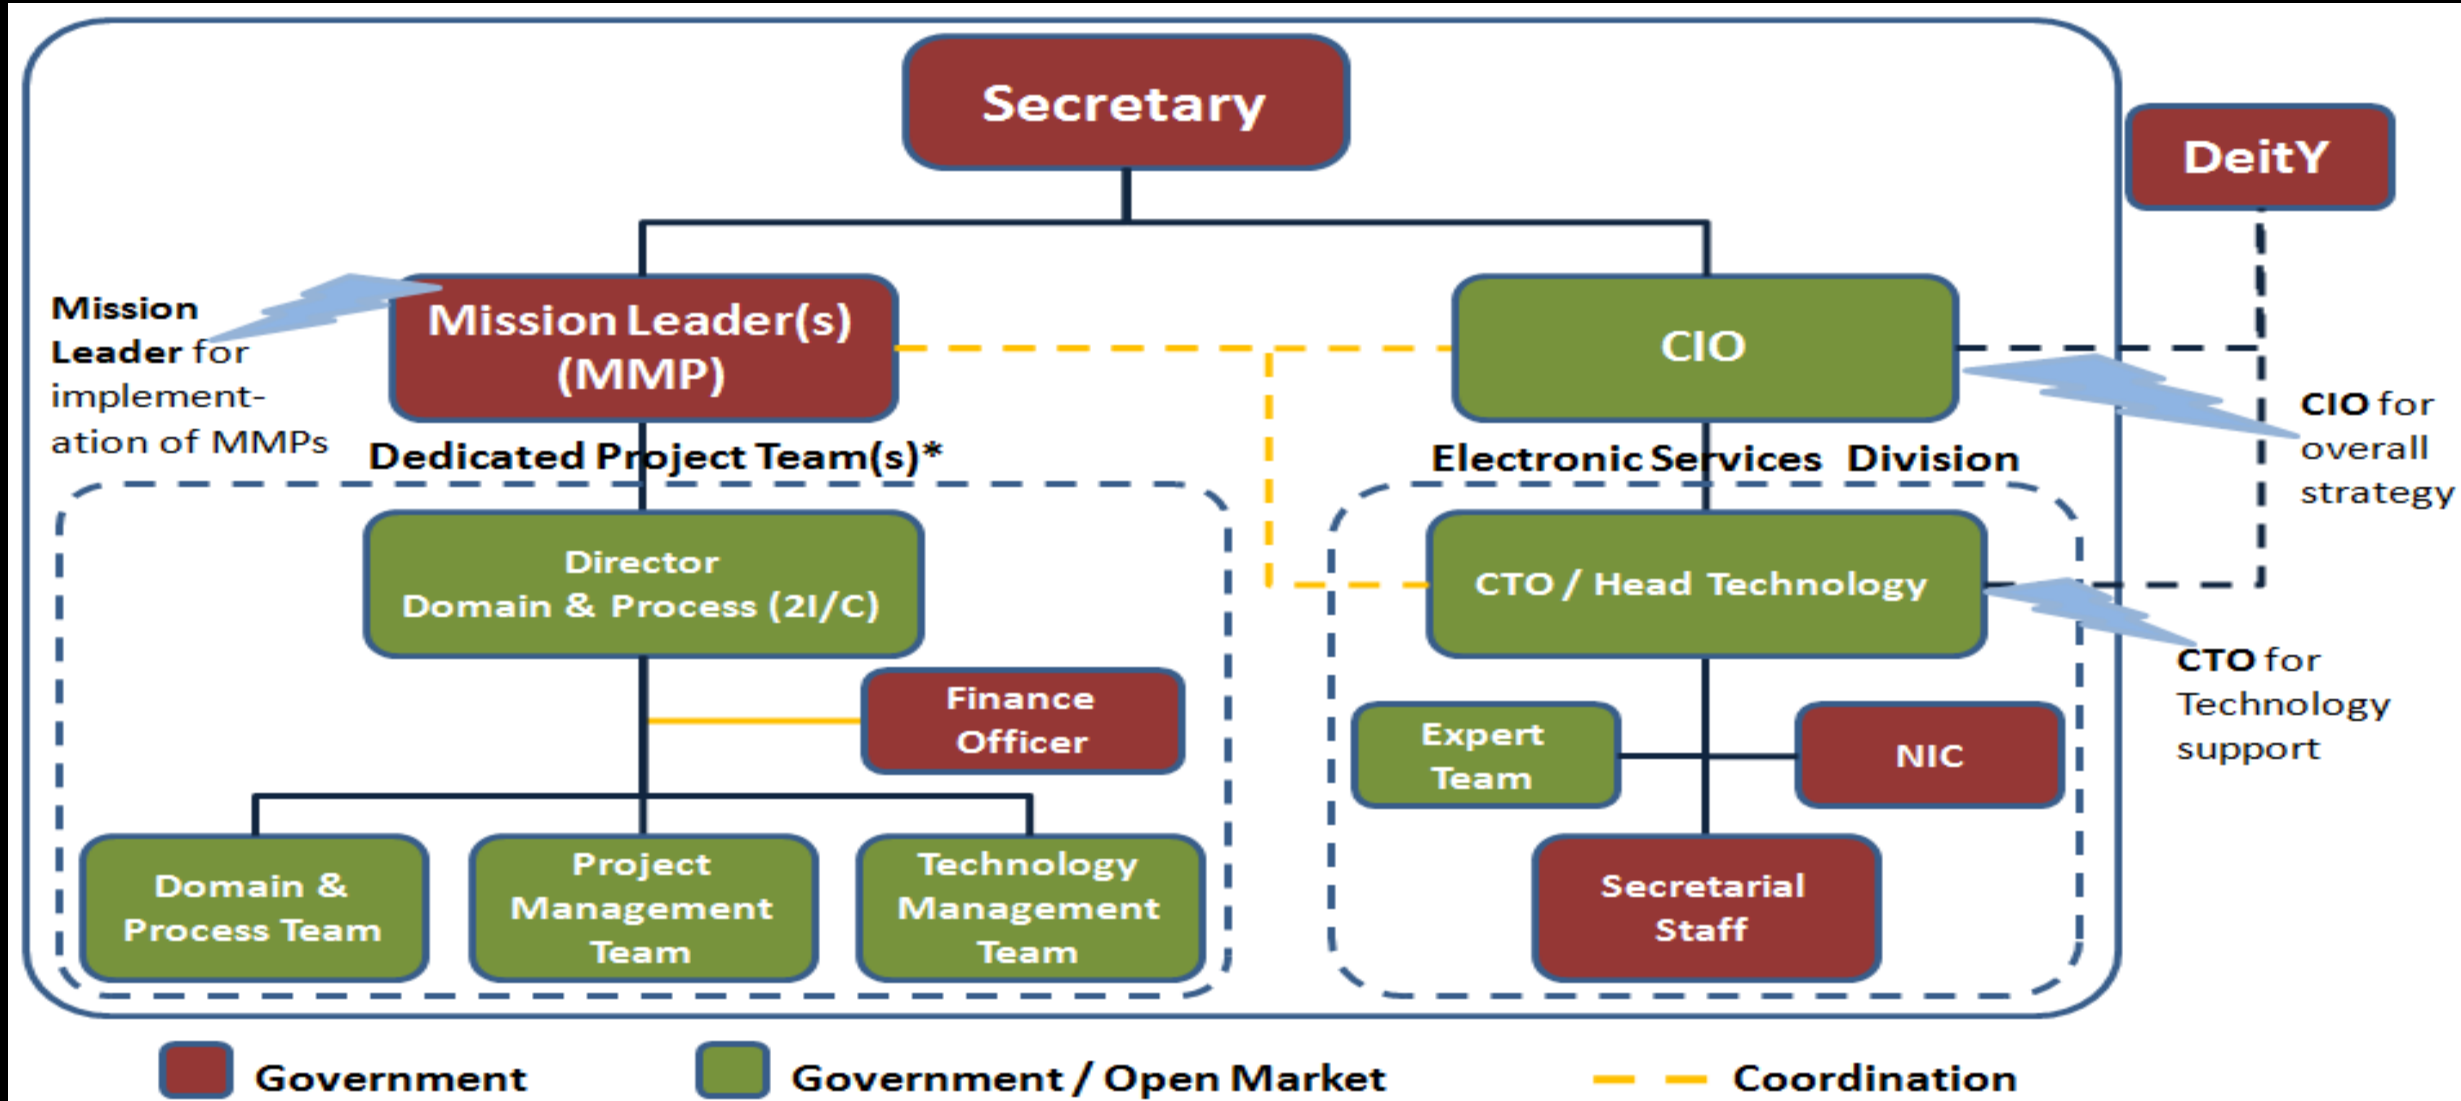

- 14** Providing Services
- 9** Providing services partially
- 5** Under Implementation
- 1** Design & Development
- 2** At DPR Stage

197 Services provided (out of 252 planned)
1.6 cr e-Transactions per month

Answer to WHEN? is obvious!

Redesigning the Top Team

WHO?

1. Dedicated Project Team led by full time Mission Leader

2. CIO, CTO and Expert Team in the Ministry

3. Counterpart arrangement in States

4. Mandatory ICT skills for entry and promotions

5. Training & Capacity Building at ALL Levels

6. PPP and involvement of Industry

To What End?

Outcomes

Thank You
