Subject: Regarding Sending cleaned data for SEMIS 2011-2012.

Sir,

As you aware, SEMIS data entry for year 2011-12 has already been in progress and several States have already furnished the relevant SEMIS data for the year. However, it has been noticed that the data received from some States have infirmities as detailed below:

1. Number of Classrooms not matching with Condition of Classrooms (i.e. Good, Major, Minor)
2. Number of Teacher not matching with Number of Teacher with Qualification Details
3. Enrolment is not matching with Single – age group enrolment

2. It is requested that before sending the final data with certificate, kindly ensure the data furnished is free from error and discrepancies indicated above.

Yours sincerely, 
(Sanjay Gupta)
