

## Outcome Documents

The following outcomes were achieved through the EdWG and Education Ministers' Meeting:

1. **[Outcome Document and Chair's Summary](#)**

The Outcome Document and Chair's Summary provides a list of joint commitments and agreements on complex challenges and emerging opportunities around the four priorities areas. It is drawn from the deliberations held across the four EdWG meetings, and highlights the common priorities of G20 and invited countries in the domain of education. These commitments and action points aim to accelerate progress towards achieving Sustainable Development Goals.

2. **[Education Working Group Report: One Earth, One Family, One Future through Education](#)**

The report provides a comprehensive overview of the policies and programs of the G20 member and invited countries with a keen focus on governance implications. It analyses the underlying challenges for all the four priority areas and identifies opportunities for bringing transformative reforms. The report facilitates knowledge exchange and aims to establish a unified educational agenda for discussions and actions. Valuable insights from lessons learned and promising practices are shared, providing a clear trajectory for future actions and developments.

3. **Compendium on Education Policies and Programmes in G20 countries**

It showcases 150 flagship policies and programmes of G20 members and invited countries in all the priority areas. These policies and programmes represent promising practices that could serve as a resource for countries to learn from each other's experiences and adopt effective educational practices.
