The first meeting of the Central Grant-in-Aid Committee (GIAC) for the year 2013-14 for considering proposals under the Scheme for Providing Quality Education in Madrasas (SPQEM) and Scheme for Infrastructure Development Private Aided/Unaided Minority Institutes (Elementary Secondary/Senior Secondary Schools) (IDMI) was held on 22.05.2013 at 11.00 a.m under the chairmanship of Secretary, School Education & Literacy. A list of participants is attached at **Annexure**. Shri Virender Singh, Deputy Secretary, Department of School Education & Literacy welcomed the participants and presented the agenda for discussion and consideration of the Central GIAC.

Agenda-1: Confirmation of the minutes of the meeting held on 21.01.2013.

The Committee confirmed the minutes of the meeting held on 21.01.2013 as no objection was received from any quarter.

Agenda-2: Action Taken Report (ATR) on the minutes of the meeting held on 21.01.2013.

Action taken report was noted by the Committee.

Agenda-3: The fund position and expenditure under SPQEM

Financial Advisor, Ministry of Human Resource Development raised the issue of pending liabilities in respect of renewal proposals. As the fund position under the scheme was very critical, he suggested that the GIAC may first consider renewal proposals and then the fresh proposals, if the funds were still available. GIAC agreed to the suggestion and AS(SE) desired that in future, agenda for the meeting may be prepared accordingly. GIAC took a decision that if the funds were not available for a particular year then the proposals may be rejected and the State informed accordingly. A decision was also taken by the Committee that the renewal proposals will be approved only for the current year i.e. 2013-14 on the scheme position for financial assistance on annual basis. Secretary (SE&L) also desired that instead of proposals of one particular State being mentioned in different lots, the proposal may be clubbed and approvals may be given in one lot as it would facilitate preparation and submission of utilization certificate by the State Government in one lot. Secretary (SE&L) desired that his decision may be reflected in the minutes as well.

The Committee thereafter took up the renewal proposals.
