

Scheme for Integrating Persons With Disabilities In The Mainstream of Technical And Vocational Education

The Scheme was introduced in the year 1999-2000 with the objective of upgrading some of the selected polytechnics to integrate persons with disabilities in the mainstream of technical and vocational education. The scheme envisages each polytechnic to train upto 25 disabled students through formal courses consisting of regular three-year diploma programmes and upto 100 disabled persons each year through non-formal courses consisting of vocational/skill development programmes. The disabled students are encouraged through provisions like scholarship, supply of books/educational materials, uniforms, free boarding and lodging etc.

At present the scheme covers about 50 polytechnics throughout the country. To carry out the activities and its smooth functioning, Department of Higher Education, Ministry of HRD provides **One time Non Recurring Grants-in-aid upto a maximum of Rs 30.00 lakhs** (Rs 15.00 lakh for formal programmes and Rs 15.00 lakh for non-formal programmes) and **Recurring Grants-in-aid upto a maximum of Rs 46.87 lakh per annum** (Rs 15.3 lakhs for formal programmes and Rs 31.57 lakhs for non-formal programmes).
