## **III. Inclusive Education for Disabled at Secondary Stage**

The aim of the Centrally Sponsored Scheme of IEDSS is to enable all students with disabilities, after completing eight years of elementary schooling, to pursue further four years of secondary schooling (classes IX to XII) in an inclusive and enabling environment. The scheme will cover all children of age 14+ passing out of elementary schools and studying at secondary stage in Government, local body and Government-aided schools, with one or more disabilities as defined under the Persons with Disabilities Act (1995) and the National Trust Act (1999).

During the 11<sup>th</sup> Five Year Plan, Sikkim was released an amount of Rs.1.99 lakhs. UC is pending for this from the State Government. No Proposal under the scheme has been received from the State for 2012-13.

## **IV. Vocationalisation of Secondary Education**

The Scheme envisages selection of vocational courses on the basis of assessment of manpower needs. The revised scheme of Vocationalisation of Secondary Education approved by CCA on 15.09.2011 provides financial assistance for imparting vocational education in Classes XI-XII in mainstream schools with a strong partnership with industry/employers. The components include strengthening of existing vocational schools and establishment of new vocational schools through State Government, assistance to vocational schools under PPP mode, capacity building of vocational education teachers and development of competency based modules for each individual vocational course. Assistance will also be provided to NGOs to run short duration innovative vocational education programmes. The proposals received from the State Government had discrepancies. It has been intimated to the State Government. Fresh proposal is awaited.
